

1. **The MOST of the Highest Quality Whey Protein Iso-late:** *The fastest absorbing and most bio-available source of protein. No other readily available bar has as much—18 grams!*
2. **OMEGA 3:** *Three to 5 times MORE than other bars. 400mg of Omega 3 from ultra-purified fish oil. And because the ingredient is micro-encapsulated, it's tasteless.*
3. **200mg of Green Tea Antioxidants:** *Recent studies have suggested benefits such as cancer prevention, accelerated fat loss, brain protection, and strengthening of the immune system.*
4. Nearly **50% Organic Ingredients.**
5. **Whole Grain** Heart-healthy Oats & Brown Rice with **NO Refined Sugars**
6. **Our bars NEVER** contain high fructose corn syrup, trans-fat, or fractionated oils.
7. **Cold Processed:** *We don't heat or bake our bars which means the ingredient's natural and healthy enzymes are preserved.*
8. **100% All Natural:** *Oatmega 3 bars contain no artificial sugars or preservatives and no genetically modified foods or organisms.*
9. **NO Sugar Crashes:** *A low glycemic load provides for a steady energy release.*
